

bauma CONEXPO AFRICA

The Official German Chamber of Commerce and Industry Representation in Ghana
(AHK Ghana)

Invites you to participate in a Delegation trip to South Africa, with a focus on

“Construction Machinery, Building Material Machines, Mining Machines and Construction Vehicles”

Date: 11.03.2018 – 17.03.2018

Location: Johannesburg, South Africa

Overview

The Delegation of German Industry and Commerce in Ghana (AHK Ghana) wishes to invite all industry players in the construction and mining sectors to a guided trip to South Africa to visit the **bauma CONEXPO Africa 2018** trade fair in Johannesburg.

bauma CONEXPO Africa is focused on construction and mining machinery, building materials and construction vehicles.

Product range of the fair includes:

- Construction (earth moving and construction machines, pipe and cable laying tools, construction equipment, formwork, scaffolding and site installations)
- Mining, extraction and processing of raw materials (material processing, machines for extraction and handling of raw materials)
- Production of building materials (machines for producing limestone, asphalt, premixed dry mortar etc., building materials for cement, concrete products etc.)
- Components and service suppliers (transmission engineering, fluid technology, accessories, measurement and process control and engineering etc.)

bauma CONEXPO Africa 2018 trade fair offers the following;

- An opportunity to be well-informed of the latest technologies within the construction and mining sector.
- Opportunities to meet a host of investors and possible partners for your next project and to establish successful business partnerships.
- Participation in supporting conference programmes which draw experts from all over the world to share knowledge, present ideas, concepts and solutions on the future of the various sectors of the fair.

Target Group

This delegation trip is open to individuals and companies with an interest in the areas of machinery, building material machines, mining machines and construction vehicles.
